## Expanded Library Hours

Effective March 27, 2011  
**Andersen Library will  
 be open until 2 a.m.  
 Sunday - Thursday!**

See <http://library.uww.edu/hours.html> for details.

## Great Minds Think Great Thoughts

The Library's main floor is home to a new collection. Adjacent to the Browsing Collections and the television is the nascent Great Minds Collection.

The goal of Great Minds is to offer highly readable and mind-expanding seminal works in a variety of disciplines in one location. The collection offers a mix of contemporary and classic works and will continue to grow throughout the semester.

To suggest titles for the Great Minds Collection, please contact your librarian liaison:

## Films on Demand: Easy Links

The Library's *Films on Demand* subscription now includes the full "proxied" URL for each film or film segment.

The proxied links allow the films or segments to be accessed from off-campus without having to add any special coding. It makes it much easier to copy URLs into D2L. The Films on Demand online guide will explain how to find the URLs.
