Book 'Em Online: Student Study Rooms

They've got the power! The new [Libcal](#) request tool enables students to request a Library group study room at the click of a button. So, if you're assigning group work, please let your students know they can book one of the Library's 13 groups study rooms via [libcal.uww.edu](#).

If faculty/staff have group study room needs, please contact [Andy Kramer](#) in Access Services at x1022.

To book the Library's classroom/lab spaces for class research days (during non-peak times), please contact your [Liaison Librarian](#) or the Reference Desk at x1032.

Stuffed Animal Sleepover

UW-Whitewater students, staff, faculty and Children's Center families accompanied by a child 6(ish) years of age or younger, are invited to join Andersen Library for the 6th annual Stuffed Animal Sleepover on **Friday, April 6th.**

- 3:30pm to 4:30pm
- 4:30pm to 5:30pm

Child participants bring a stuffed animal friend to join them in a library story time and craft activity. Their stuffed animals get to stay the night, explore the library, and perhaps even make a new friend. (Psst! Word has it there are dinosaurs roaming about the library after hours.)

Children pick up their stuffed animal and a memento of their animal's night-time adventures on Saturday, Sunday, or Monday.

Note: Children need to be accompanied by an adult, but chaperones will be provided for the stuffed animals during the night.

Lighten Your Load-Designate a User

Faculty and staff often aren't aware they can designate another person to check out material on their behalf. The designated user need not be affiliated with UW-W.

The authorizing user accepts responsibility for material checked out in his/her name. Just fill out the online [Designated User Permission Form](#) and bring it to the Circulation Desk at Andersen Library.

We'll keep the agreements on file and the designated users must present a UW-W ID or other valid photo ID each time they check out material. <http://library.uww.edu/forms/designated-user>
