Introducing Our New Staff

Ellen Latorraca is our newest Reference Librarian and serves as the liaison to the College of Education and Professional Studies. Ellen comes to us from the Milwaukee Public Schools where she was a high school librarian.

Macaela Willadsen is the new Late Night Supervisor and Library Assistant in Circulation & Reserves. She holds an MLIS degree from UW-Milwaukee.

Brenda Neumeister returns to Circulation & Reserves as a Library Assistant after several years' absence. She brings back her great attitude and customer service skills.

Going on Safari

Safari Books Online is an ebook database where you'll find our most current software manuals. If you type Safari12 as a keyword in [HALCAT](#) (the online catalog), you'll see all the Safari titles. Or you can choose Safari Tech Books from the Library's list of databases (on the *Find > Databases* menu).

Safari offers a number of titles covering common applications like Microsoft Access, Excel and Word as well as Adobe Creative Suite applications. It also offers more technical titles for programs from Management and Ajax to Ubuntu and XML. <http://geturl.uww.edu/11y>

Haunted Book Panel Discussion

Do your students ever ask you about the rumors of a haunted book kept under lock and key at Andersen Library? We get those questions all the time at the Reference Desk.

Want to know more and hear from experts from the community and campus about these stories?

Andersen Library is hosting a **Haunted Book Panel discussion** on **Wednesday, Oct. 26 at 6:00pm**. Come join us.

Library Research Fellowships

The **application deadline** for the Winter/Spring 2012 Library Research Fellowships is **Monday, October 3**.

Faculty may request a Library Research Fellowship for a term of six months with the option of a competitive renewal for up to one year.

See the Office of Research and Sponsored Programs' web site for an application and full description of the program.
