### Withdraw Lists For Your Review

You'll be receiving a message soon from your librarian liaison about material the Library plans to withdraw from its collections. We need to hear from you by March 1, 2009 if there is anything on the withdraw lists that is worth keeping:

### Course Reserves – Renew Them

If you had material on reserve (physical or electronic) for Fall and are teaching the same courses in the Spring, please e-mail [Erin Wetzel](mailto:wetzele@uww.edu) (wetzele@uww.edu) to renew your reserves. For copyright compliance, we cannot renew your reserves unless you contact us. And if you have new reserve material for Spring, send it over soon: <http://library.uww.edu/services/reserves.html#request>

### Media Collections - Moving Up in the World

DVDs, VHS tapes and CDs are being moved to the main floor, near the Library entrance. Students often did not know about these collections since they were buried in the Media Center on the first floor. The new location will be more convenient for faculty and students. Be on the lookout for more changes on the main floor of the Library.

### Browsing Books (aka McNaughton Collection)

As the Library relocates and expands its more popular collections, the name of the McNaughton Collection has been changed to Browsing Books. The collection is still located near the cafe. To make the books easier to browse, the fiction, non-fiction, graphic novels, and audio books are separated on the shelves and the titles are arranged in call number order.
